

New Distance Learning Opportunity

Online Teacher Workshops

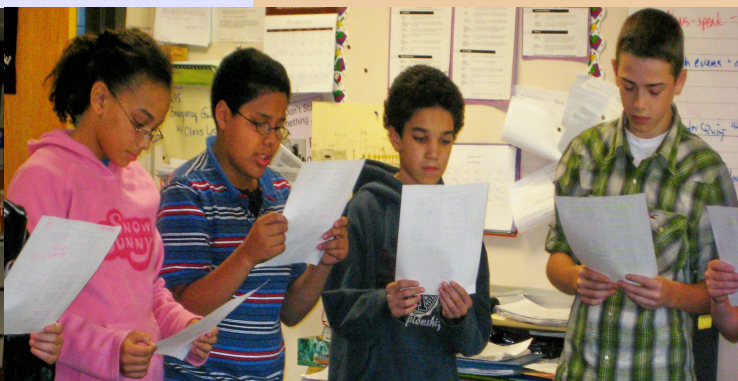

Curriculum-Based Readers Theatre

Led by the book's author
Dr. Rosalind M. Flynn

On a Computer near YOU:

Learn the process of this classroom activity that enhances reading fluency and comprehension while strengthening content learning and theatrical skills.

 **Dramatizing the Content**
With Curriculum-Based
Readers Theatre

Learn with others

A group of teachers assembled anywhere with a computer, LCD projector, and a speaker can learn in a real-time session led by Rosalind.

Learn on your own

Access the recorded sessions and learn on your own computer at a time, pace, and place that works for you.

Learn how

Reading
+ Writing
+ Rehearsing
+ Repeating
= Retention and Increased Reading Fluency

Learn why teachers say

“This was an excellent use of my time. The slides, videos, and narration gave me skills and resources that I know will impact student achievement.”
